

## Seven day budget camping safari

### Day One: Tarangire National Park

Depart Arusha at 9:30am for Tarangire National Park. The drive to Tarangire is approximately two hours. After registering at Tarangire Gate, game drive for the rest of the day. Spend the night at Miswaki Campsite, inside Tarangire National Park.

Tarangire's wildlife includes elephant, lion, giraffe, and many bird and antelope species.

### Day Two: Tarangire National Park

Full day game drive in Tarangire National Park, visiting the Tarangire River and other areas. Return to Miswaki Campsite after the game drive.

### Day Three: Tarangire to Serengeti National Park

Early morning game drive in Tarangire. Transfer to Serengeti National Park after exiting Tarangire. Drive through Ngorongoro Conservation Area and the Southern Serengeti before reaching Serengeti National Park. Have an afternoon game drive in Serengeti National Park, arriving at Seronera Campsite at approximately 5:30pm.

Species commonly seen in the Serengeti ecosystem include wildebeest, cheetah, zebra, lion, giraffe, impala, topi and leopard. The Serengeti is also home to more than 540 bird species.

### Day Four: Serengeti National Park

Spend a full day on game drives in Serengeti National Park. Return to Seronera Campsite after your game drive.

### Day Five: Serengeti National Park

Spend a full day on game drives in Serengeti National Park. Return to Seronera Campsite after your game drive.

### Day Six: Serengeti to Ngorongoro Conservation Area

Enjoy the morning in the Serengeti. Transfer to Ngorongoro Conservation Area after the game drive. Arrive at Simba Campsite on the Crater rim in time for the spectacular sunset. Dinner and overnight at Simba Campsite.

### Day Seven: Ngorongoro Crater to Arusha

Depart the campsite after an early breakfast (or with a breakfast box) for your Crater game drive. Spend several hours viewing wildlife on the Crater floor before returning to Arusha.

Resident Crater wildlife includes lion, hyena, elephant, wildebeest, zebra, black rhinoceros, flamingo, hippopotamus and cheetah.
